Dear Participant,

We are looking forward to seeing you next month in Davis, CA, for our meeting *Elucidating Environmental Dimensions of Neurological Disorders and Diseases: Understanding New Tools from Federal Chemical Testing Programs*. Please find attached a meeting materials packet that contains the final meeting agenda, speaker and moderator biographies, a list of participants, and information regarding the Genius Bar sessions.

One-on-one Genius Bar sessions will provide attendees an opportunity to explore new data sets and tools with EPA and NIEHS staff scientists. Sessions will be available in 20 minute time slots starting at lunchtime on the first day of the meeting and running concurrently through the second day of the meeting. Sign-up for a Genius Bar session will be available when you check-in at the conference center.

We will be kicking off the meeting at 8:00 a.m. on Thursday, June 18th with a continental breakfast prior to opening remarks at 9:00 a.m. in the main ballroom. Continental breakfast as well as lunch will be served both days. Please also plan to stay and join us for beverages and hors d'oeuvres at our Thursday evening reception where the Genius Bar room will continue to be open and accessible for conversations with EPA and NIEHS staff. The meeting will close on Friday afternoon at 5:00 p.m. Additional details can be found in the meeting materials packet. The meeting travel packet is also attached here again for your reference.

We look forward to seeing you in Davis!

Kind Regards,
Jennifer
